

2022 CABERNET SAUVIGNON

Napa Valley

WINEMAKING NOTES

FRUIT	92% Cabernet Sauvignon, 4% Malbec, 2% Petit Verdot, 1% Merlot, 0.5% Cabernet Franc, 0.5% Petit Sirah
VINTAGE	The 2022 vintage was one of the earliest on record. Minimal rainfall and a warm Spring led to early growth in the vineyard that continued right on through the summer culminating in our earliest Cabernet harvest on record by 2 weeks.
HARVEST DATES	August 22 - October 14, 2022 Average Degrees Brix: 25.7
WINEMAKING	The fruit for this wine comes from both our sustainably farmed vineyard in Rutherford, and from local vineyards. Each vineyard block was harvested and made into an individual lot representing that block. The wines were pressed off the skins from 10 to 35 days after crushing.
AGING	Aged for 18 months in French and American oak barrels. 24% new French Oak, 20% new American Oak Blending was completed in Winter of 2023 and bottling took place in May of 2023.
TASTING NOTES	Ripe blackberry fruit characters are complemented by cherry and cassis on the finish. Spice and vanilla notes are seamlessly interwoven through the wine. A rich midpalate leads to a lovely lingering finish with just the right of acid and tannin to keep the wine in perfect balance. While enjoyable upon release, this wine will age gracefully through 2032 and beyond
