

2025 CABERNET SAUVIGNON, PINK
Napa Valley

WINEMAKING NOTES

FRUIT 87% Cabernet Sauvignon, 13% Malbec

VINEYARD The Cabernet Sauvignon for this wine was selected from three different vineyards throughout the Napa Valley, highlighting a variety of appellations and micro-climates.

HARVEST Harvest Dates: September 6 - October 11, 2025
Average Brix at Harvest: 24.1

WINEMAKING Shortly after crushing to tank, juice for each lot was drained off the berries for minimal skin contact. Each lot was fermented separately in stainless steel tanks and then blended once all lots were complete. Aged on light lees in stainless steel for 3 months with regular stirring. Bottled January 14, 2026

TASTING NOTES Aromas of alpine strawberry and fresh flowers first greet you with this beautifully, rose-hued wine. The palate is bright and creamy in texture with ripe mandarin, strawberries and cream, and a lovely honeydew melon rind note.

DONATION We donate a portion of the proceeds from the sale of each bottle of Cabernet Sauvignon Pink to fund mammograms for those in need.
