

### **ARE YOU FAMILY FRIENDLY?**

We welcome children in the morning for our **Family Terrace Tasting**. There is a fee of \$10 any child over the age of 12 months, which includes juice and a snack to enjoy during the experience. Infants under 12 months must be in a stroller or on an adult's lap for the entirety of the tasting. This is a working winery, so for safety children must remain at the table with their parents at all times.

### **ARE THERE ACTIVITIES FOR KIDS?**

We do NOT have activities for children. For safety, all children must remain at the table during the tasting. They will have their own tasting menu along with juice and a snack. Parents are encouraged to bring activities for the child to do at the table during their experience.

### **CAN I BRING MY DOG?**

We are a dog friendly winery and well-behaved dogs are welcome! **All dogs must remain on leash at all times while on winery property.**

### **CAN WE SPLIT A LARGE PARTY INTO TWO TABLES?**

The maximum number of persons (including non-tasters) permitted in our Terrace Tasting is (8) eight people. We do not allow larger parties to split up their group. Groups of 9-20 people may book in our **Group Garden** area by emailing [hospitality@honigwine.com](mailto:hospitality@honigwine.com) or calling 707-963-4272.

### **HOW LONG IS THE TASTING?**

**Our Terrace Tasting Experience** is 75 minutes. The **Reserve Room AVA Experience** and the **Eco-Tour Vineyard Experience** are 90 minutes. Our **Group Garden Experience** is 120 minutes.

### **DO YOU PROVIDE FOOD DURING THE TASTING?**

Our permit does not allow for food during the tasting (with the exception of the Reserve Room AVA Experience). Outside food is not allowed on our Terrace, but can be consumed in our designated Picnic Area, which is available on a first come, first served basis.
